Disclaimer

The petitioner, through the undersigned, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§154 to 156 and 173, of any patent granted from United States Patent Application No. **09/816,823**, filed March 23, 2001; issued as US Patent No. 6,724,860; United States Patent Application No. **09/816,843**, filed March 23, 2001; issued as US Patent No. 6,757,359 and United States Patent Application No. **09/816,830**, filed March 23, 2001; issued as US Patent No. 6,744,857. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and patents issuing from the other three applications are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 and 173 of the other three applications, as presently shortened by any terminal disclaimer, in the event that any later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.
